DDI 05465-85 1 November 1985

MEMORANDUM FOR:

Director of Central Intelligence

Deputy Director of Central Intelligence

FROM:

Robert M. Gates

Deputy Director for Intelligence

SUBJECT:

DDI Activity Report 28 October -

1 November 1985

## DCI/DDCI Assigned Tasks

OWSR will visit NSA, NISC, and NOIC to gather community thoughts as to why Salyut did not participate in ASW activities in 1985, per request of the DCI Scientific and Technology Advisory Panel.

SOVA, OSWR, and CRES prepared talking points for the DCI's visit to SAC concerning the use of reconnaissance products in strategic intelligence.

## Policy Support

ALA briefed Ashley Hewitt, Senior advisor to State Policy Planning Staff, on Brazil, Central America, and the Caribbean.

EURA sent a package of materials on East Europe's debt situation for Secretary Baldridge to use in an NSC meeting on the Garn amendment to regulate US bank lending abroad.

EURA continues to get questions from DoD Assistant Secretary Perle about possible Soviet penetrations in Greece. This week EURA, with DO assistance, answered additional questions about the publisher of the paper,  $\underline{\text{To}}$   $\underline{\text{Ethnos}}$ , about which we had prepared a paper last week.

## Administrative

Tomorrow the Operations Center returns, on schedule, to its newly renovated 7th floor quarters. Still to come are some furniture, which is back-ordered, and a classified TV distribution system. An official ribbon-cutting will be scheduled for the end of this month at which time we will recognize the contributions of all those who helped us meet the target date.

ACIS is putting finishing touches on its preparations for a briefing next week to the SSCI about monitoring issues, and is working with NIO/SP in response to a set of questions from the HPSCI concerning monitoring and strategic forces issues.

OGI briefed Congressman Berman about Iraq's role in supporting international terrorism. This request, made through OLL, was in connection with the export Administration Act; any nation the Congress considers to be a state supporter of terrorism does not qualify for certain aid or trade benefits.

SOVA briefed the SSCI on the current status of arms talks with the Soviets.
